

CERTIFIED VIN INSPECTION CLASS

**SPONSORED BY THE COLORADO STATE PATROL
INSTRUCTORS
CSP INVESTIGATIVE SERVICES SECTION**

This course provides instruction that allows the student to apply for certification thru POST as a certified VIN inspector.

Subjects covered include:

- Laws that govern the certified vehicle inspection process, as well as basic auto theft law.
- Introduction of the National Insurance Crime Bureau and its use in Auto theft investigations.
- Deciphering and reconstruction of both pre and post 1981 Vehicle Identification Numbers.
- Reasons for and how to conduct Certified Vehicle Identification Number inspections.
- Identification of Motorcycles with emphasis on Harley Davidson bikes.
- Discussion of basic auto theft as well as Chop Shops and Salvage Switches.
- Third Day includes hands on training looking at actual vehicles and conducting inspections.

Upon completion of the course of instruction student will be eligible to apply for Colorado POST certification as a VIN inspector.
