

## **CERTIFIED VIN INSPECTION CLASS**

**SPONSORED BY THE COLORADO STATE PATROL  
INSTRUCTORS  
CSP INVESTIGATIVE SERVICES SECTION**

.....

This course provides instruction that allows the student to apply for certification through the Colorado Peace Officers Standards and Training (POST) as a certified VIN inspectors as provided by C.R.S. 42-5-206.

Course instruction includes:

- Laws that govern the vehicle certified inspection process, as well as Colorado auto theft laws.
- Introduction of the National Insurance Crime Bureau and its use in auto theft investigations.
- Deciphering and reconstruction of both pre and post 1981 Vehicle Identification Numbers.
- Reasons for and how to conduct Certified Vehicle Identification Number inspections.
- Identification of Motorcycles with emphasis on Harley Davidson motorcycles.
- Instruction of basic Auto Theft, Chop Shops and Salvage Switch investigations.
- Third Day includes hands on training and inspection of actual vehicles and conducting inspections.

Upon completion of the course the instruction, students will be eligible to apply for Colorado POST certification as a Colorado Certified VIN Inspector.
