

Free Two-Day Basic and Advanced Auto Theft Investigation Course

The Colorado Auto Theft Investigator Association is hosting a two-day basic and advanced auto theft investigation course at the Castle Rock Police Department. This course is tailored to investigators and patrol officers who respond to and/or investigate auto theft and property-related crimes.

25 FREE scholarships: Register online at coloradoautotheft.org

Objectives: Provide patrol officers and investigators a thorough understanding of the Vehicle Identification Number to assist with their knowledge base when investigating motor vehicle-related crimes. Provide the investigator/CSI a clear understanding of what is needed when processing a recovered stolen vehicle to file and prosecute a successful case. Discuss law enforcement databases available, such as Carfax, ISO, along with others. Acid restoration and investigation scenarios will also be included.
